

Lobbies Temporarily Closed

Effective March 20, 2020

We are concerned for the health and well being of our customers, employees and community. Considering the challenges that COVID -19 presents to public health, we will be doing our part to support community health management efforts and take the precautionary step of temporarily closing all UBM lobbies.

We believe that banking is one of the core services needed during times like this, so our lobbies will be available by appointment only. We strongly recommend that you use our drive-thru or our remote digital banking services, which include:

- Online Banking to manage your accounts, transfer funds, and more.
- Our free Mobile Banking App.
- Mobile Deposit from our Mobile App, to deposit paper checks from your smartphone.
- Paying your bills with Online Bill Pay.
- Using your Debit Card whenever possible rather than using cash.
- Surcharge-free ATMs that offer an easy way to get cash.
- Merchant Deposit for depositing business checks from your office.
- Our drive-through branches to promote social distancing.

Thank you for your patience and understanding during these unprecedented times. Feel free to call or visit us online at ultimabank.com if you have any questions.
